Ronald tends to be the stronger, with Brianna the more devoted or giving. Problems may arise only through both of you wishing to control the shared interest, but usually this will follow the same pattern of giving and receiving, with each appreciating the unique qualities of the other. You may discover considerable enjoyment of things of the past or history, as well as general enthusiasm together. Since the Moon is involved, each of your feminine and softer sides will likely be brought forward by this relationship.

(within 0.5 degrees) with Brianna's Venus**

The strongest blend of the energies represented by these two planets.

This aspect, of Sun in conjunction with partner's Venus, is generally beneficial. The two of you are likely to make each other feel and look better together. **Ronald's Jupiter in strong square
(within 1.8 degrees) with Brianna's Sun**

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

This aspect, of Sun in square with partner's Jupiter, represents success, abundance, and enjoyment or wisdom together, although there is some potential for missed opportunities and extravagance. You can shine brightly, or waste gifts and resources. These excesses can also be good food for thought. Your very ideals may be in conflict with each other, creating the need for understanding, self-awareness and a better sense of purpose. In a romantic context, unbounded enthusiasm or release of control may lead to waste. You fire up with energy, and feel strong together, yet this positive sense of enthusiasm may also be exaggerated or not meeting with expectations. There will definitely be expansion in some areas of your relationship, although it could be expressed in weight gain, or some diversion of what you share into relatively useless sidetracks. This aspect symbolizes an increase in awareness and knowledge. But helpfulness expressed by one partner may be one-sided, or unappreciated, or promises made cannot always be delivered. This aspect may indicate extra support for each other in your

partnership, but also requires discipline to handle properly, and not to go overboard with each other in some way.

**Ronald's Saturn in square
(within 4.5 degrees) with Brianna's Sun**

and Ronald's Sun in strong trine (within 1.4 degrees) with Brianna's Saturn.

The two of you together can be very dependable and productive. Some restructuring will occur for Ronald, who may learn needed lessons of discipline through Brianna. In a romantic connection, this aspect symbolizes much wisdom and practical caring for each other, which is good support for a long term commitment such as marriage. There is likely to be a good balance of energy from work into play, and creativity into directed concentrated effort, as each of you leads the other into joyous responsibilities, and responsible joys. There may be an implication of necessary boundaries expressed in your partnership. With this aspect, also, you will find practical wisdom and even leadership to high degrees. This can be a sobering connection between you, but one which enhances both partners' empowerment and purpose. Sometimes these roles get reversed, but generally speaking, Ronald gives light to, and is allowing and forgiving toward Brianna, and Brianna serves to facilitate greater focus of Ronald's more widespread and expansive consciousness.

Angular planet - conjunct Ascendant**

You may feel comfortable together, or you may feel a psychic bond, as though connected from sharing some ancient, and perhaps unconscious, past experiences together. It is also possible that there may be an unbalance of nurture between you, perhaps one of you gives more than the other can receive, or one may have different emotional needs. There is a strong feeling of desiring to help and supply, and to care for each other, but you may encounter difficulties in actually working well with each other. Your relationship may involve food, perhaps restaurants, and sharing of all types of environments, as well as good fellowship with friends. You feel a heightened response and receptivity for each other, partaking together of the nurturing, and the feminine, side of life. In a romantic context, this aspect represents a supportive and feelings-oriented relationship, with loyalty for each other, although with the possibility of conflicts over emotional needs. You are protective toward each other, perhaps with ties to children and family, or other connections that

go back in time. On the other hand, you may feel and express feelings differently, or empathy may be hard to maintain. Your long-term nurture and comfort needs may not be well supported by your partner, or your family backgrounds could differ widely, in race, creed, or environment. Even so, you do express a long-term practical sensitivity to each other.

**Ronald's Moon in inconjunct

**Ronald's Jupiter in trine
(within 4.4 degrees) with Brianna's Moon
Angular planet - conjunct Ascendant**

and Ronald's Moon in square (within 6.1 degrees) with Brianna's Jupiter.

Since your and your partner's complementary planets follow the same pattern, this aspect is greatly emphasized in your reading. Pay special attention to the following material!

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

This aspect, of the Moon in square with partner's Jupiter, may indicate a partnership energy inclined toward excess, indulgence, or waste. This aspect symbolizes a relationship that is likely to be productive in some form, however, and that provides lessons and opportunities for spiritual growth. There will not be hostility as much as futility and disappointments of expectations. Family, law, or religious problems can arise. There may be some attempt at taking advantage of

generosity, especially on the part of Ronald, or perhaps one partner being held back by past indulgences. In a romantic context, this aspect indicates some waste of emotional capacity, or over-indulgence, or expectations not fully realized. Generally of good nature, you support, devote, and expand, yet control is required. You may need to balance an expansive exuberance with more sober and subdued approaches. There is definitely plenty of emotional growth, and expansion of feeling, but you need to watch for temptations out of control, or disciplines avoided. Even if your relationship is emotionally disturbing at times, there can be abundant happiness and exuberance as well, if you allow positive attributes to prevail most of the time.

**Ronald's Moon in strong square
(within 0.7 degrees) with Brianna's Saturn**

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

This aspect, of the Moon square partner's Saturn, is difficult, and can indicate limits to growth and happiness together, unless long-term insight and maturity is applied. You may find that the relationship between you involves practical conditions and sober attitudes, with an emphasis on feeling burdens and carrying one's own weight. There is likely to be a sense of restrictive behavior which comes more from Brianna, who is also likely to appear to be critical or demanding at times. Although there is a strong emotional connection between you, and a good basis for stability, the sympathy one partner feels for the other may falter, or one or both of you may seem emotionally cool to the other. In a romantic context, this aspect is a good indicator for a stable and long-term relationship such as marriage. You may cherish the sense of being together as a unit, but you may also feel somewhat isolated at times. You can expect some limitation of expansive fantasy and honing in of awareness, based on emotional control exerted by your partner which therefore makes for more clarity and supports movement toward cherished goals. You may also feel a sense of obligation and duties, perhaps to friends and family. There is the definite possibility of controlling behavior, perhaps on the part of Brianna toward Ronald. Ronald could feel stifled, or let down, but also may sense the practical and supportive nature of Brianna, who is helpful in keeping partnership progress toward shared goals and objectives on track, but may restrict or limit Ronald, and seems perhaps much older. It is helpful for both partners to try to move beyond any fears they may have regarding the relationship. Perhaps your or your partner's need for intimacy can leave one or the other feeling unwanted or with affections that are not returned. Environment or family can also turn out to be limiting, and expected benefits from the relationship may be delayed or not forthcoming. You may be put off by a feeling that your partner is too closed, or a feeling of emotional restriction, or misunderstandings can arise between you, but you do well when you are observant of the positive qualities you and your partner share, exercise patience and tolerance with each other and focus on shared objectives.

The unconventional, indiscreet or inconsiderate actions of Ronald may go against the grain of Brianna, or may grow into emotional disconnects between you. Your friendship is likely to be open and eclectic as well as unconventional or unique in some form, and there may be a multi-cultural factor, or some other unusual side to your relationship. There could be sudden insights and deep awareness brought about through this interaction. There may be progressive humanitarian endeavors that you undertake together. The nature of this connection is to broaden, with a focus on the potential for positive change, and also the balance of emotional independence between you. In a romantic context, you may find an instantaneous and magnetic attraction between you, a strong pull towards getting together quickly and intimately, but this aspect may also indicate some exasperating distancing, or aloof feelings between you, or imbalance of emotion. This aspect does allow the open expression of feelings between you, which can build trust. You feel as though you can say anything to each other. In fact, when you are together, your feelings express themselves in ways you never before dreamed possible, and you may have insights that force you into a new way of seeing your past, as well as your future plans and aspirations. There may also be a sporadic quality to the interaction between you, in which the winds of passion flare up hotly for a while, only to cool off suddenly and then blow warm again later on. If you live together, changes of residence may also be common. The abruptness and eccentricity of Ronald may be hard for Brianna to take, especially if very sensitive and security-oriented. But in spite of the "on again off again" quality of your connection, this aspect allows for strong friendship and freedom from inhibition in your relationship. You make each other feel supported and free to express that uniqueness that you have inside, with a sense of fond good feelings for all you share together.

This energetic behavior is usually both positive and stimulating, although there are differences in temperament and a degree of passionate intensity, which can lead to rivalry or attempts at emotional control. In a romantic connection, you have a good physical connection, but with a likelihood of conflicts, restlessness, or a lack of tolerance between you. This aspect, of Venus in square with partner's Midheaven, represents a strong link between you regarding plans and aspirations, although with the potential for diffusion of objectives between you and waste or excess of some variety. You value the same things overall, though you may come to this appreciation from different angles. There may be a conflict between practical directions and selfish attitudes, or perhaps a lack of initiative, where one partner prefers to enjoy the fruits of labor while the other wishes to continue working. Brianna provides an aesthetic sensibility, which in general supports the career goals of Ronald, or may at times operate at cross-purposes to these goals, while Ronald takes a more practical and real-world approach. There is likely to be an artistic side to the work you do together. In a romantic context, there is warmth and affection between you, with pleasure and sensuality along with a strong sense of aesthetics between you. Your life together can be abundant and beautiful, but also may be indulgent, or wasteful of resources. The appearance of being graceful in the eyes of the world is important, and you may place emphasis on ascending in social circles with each other. There is real rapport between you, but also perhaps an excess of ego, or over indulgence in life's pleasures. Career direction and shared purposes are likely to go well, and you are propelled toward success together, with Brianna providing encouragement and inspiration, while Ronald receives and tries to keep the focus on track. Your relationship generally helpful, congenial, and warm, and your shared purpose is likely to include a strong creative component particularly in the way of the artistic or musical.
